

A well-known Canadian cable tray manufacturer

Article Overview

Unitray and Superior Tray are among the leading cable tray manufacturers in Canada, offering high-quality, CSA-approved systems for diverse industrial and commercial applications.

Unitray

Unitray is a prominent Canadian manufacturer specializing in aluminum cable trays. They produce CSA-approved Class C, D, and E cable trays and fittings in standard lengths of 3m, 5m, and 6m, with custom lengths available to meet project-specific requirements (Unitray's Class E tray exceeds NEMA 20C standards). Their products include ladder, perforated, and solid-bottom trays, designed for easy installation, durability, and long-term performance. Unitray also offers the FASTRAY® system, which reduces field labor and increases design load capacity, making it a cost-effective solution for large-scale projects. The company maintains ISO certifications and adheres to strict health, safety, and environmental standards.

Superior Tray

Superior Tray is another leading Canadian manufacturer, providing a wide range of high-quality cable management products for commercial, industrial, and telecommunications applications. Their offerings include steel and aluminum trays, with ladder, solid-bottom, and perforated designs. Superior Tray emphasizes durability, flexibility, and compliance with safety standards, making their systems s...
