

# American Manufacturer of New Distribution Box Enclosures

## Article Overview

Top U.S. manufacturers of distribution box enclosures include Austin Electrical Enclosures, U.S. Telecom (AmProd), Rittal, Steeline Enclosures, and American Midwest Power (AMP).

### Key U.S. Manufacturers

Austin Electrical Enclosures has over 50 years of experience producing high-quality electrical enclosures, including NEMA 4X pushbutton enclosures designed for protection against corrosion, dust, and water, suitable for industrial and outdoor applications (Austin Electrical Enclosures) . U.S. Telecom (AmProd) specializes in U.S.-made telecom enclosures, NEMA cabinets, and outdoor shelters. Their products are BABA-compliant and serve telecom, energy, and data center applications, offering durable and reliable solutions since 1989 (U.S. Telecom) . Rittal provides modular industrial and IT enclosures, including the VX Hybrid Double Door system, which allows flexible panel wiring, cable management, and scalable power distribution solutions. Rittal emphasizes modularity, automation, and energy-efficient climate control for industrial and IT environments (Rittal) . Steeline Enclosures designs and manufactures a wide range of electrical control panel enclosures, including junction boxes, wall-mount, floor-mount, freestanding, desktop consoles, and push-button enclosures. They offer both standard and custom solutions tailored to diverse industrial needs (Steeline Enclosures) . American Midwest Power (AMP) produces standard and custom electrical distribution enclosures in various sizes and materials. Their enclosures are ETL listed and UL 50 or UL 508 compliant, with finish...
