## Article Overview

Mesh cable trays in Andorra typically cost between \$2 and \$25 per meter, depending on material, size, and finish.

### Price Range and Factors

The cost of mesh cable trays varies widely based on material and design. Wire mesh trays, which are lightweight and flexible, are generally cheaper than ladder or perforated trays, making them ideal for IT and data center installations . Typical prices per meter are:

- Steel wire mesh trays: \$10-\$30 per meter
  - Aluminum trays: \$20-\$50 per meter
  - Plastic trays: \$2-\$15 per meter, suitable for light loads but not high-heat environments
- Additional factors affecting cost include surface finish (galvanized, powder-coated, or stainless steel), tray width and thickness, and whether the order is bulk or custom . Bulk orders often reduce the per-meter price, while custom sizes or coatings increase it.

### Local Suppliers

In Andorra, suppliers such as EASYCONNECT, Cables TS, and Realcable provide mesh cable trays and related systems . These suppliers cater to both industrial and commercial projects, and prices may vary depending on shipping, import duties, and local demand....
