

Belgian Industrial Switch Suppliers

Article Overview

Belgium hosts a range of industrial switch suppliers, including manufacturers of low and medium voltage switchgear, industrial control panels, and specialized electrical switches.

Key Suppliers and Manufacturers

- SGC nv SwitchGear Company: Specializes in medium voltage switchgear, including gas-insulated switchgear (GIS) and patented Arc-Killers for operator safety. They focus on co-engineered, made-to-measure solutions with ISO 9001 certification, ensuring high-quality and durable products for industrial applications .
- ClickTouch: Develops and produces human-machine interfaces (HMI), advanced touch panels, membrane keyboards, and industrial control panels, suitable for automation and industrial control systems .
- Quad Industries: Offers capacitive and membrane switches, piezo touch panels, and front panels, focusing on user interfaces and control panels for industrial environments .
- JMei: Designs and manufactures industrial remote controls and radio transmission devices, providing solutions for industrial automation and machinery control
