

Cable tray connection bracket price

Article Overview

Cable tray connection brackets typically range from \$0.50 to \$5 per piece, depending on material, size, and supplier.

Price Overview

Cable tray connection brackets, also called support brackets or couplers, are used to connect and support cable tray sections in electrical installations. Prices vary based on material (galvanized steel, stainless steel, aluminum), size, and load capacity. For example, a 50-pack of wire mesh cable tray couplers made of electro-galvanized carbon steel costs around \$30-\$50, which averages \$0.60-\$1 per bracket on Amazon . For single heavy-duty wall or support brackets, suppliers like RS Components and Ekabel24 offer a range of options, with prices typically between \$2 and \$5 per bracket, depending on the type and duty rating . Industrial suppliers such as Graybar or JLH Electric may provide custom or bulk pricing, which can reduce the per-unit cost for large projects .

Factors Affecting Price

- **Material:** Stainless steel and aluminum brackets are more expensive than galvanized steel.
- **Duty rating:** Heavy-duty brackets for larger cable loads cost more than light-duty versions.
- **Quantity:** Bulk purchases often reduce the per-unit price.
- **Supplier and brand:** OEM or branded accessories may carry a premium....
