

Cable tray fireproof partition installation price

Article Overview

Fireproof cable tray partitions range from \$0.60/meter for basic coated options to \$10/meter for high-performance fireproof types.

Price Overview

- **Entry-Level Options:** Basic fireproof-coated cable tray partitions, such as the Orange Partition Fireproof Coating Cable Tray from Shandong Xuanlin Metal Materials Co., Ltd., start at \$0.60 per meter and are suitable for general industrial applications .
- **Mid-Range Options:** Stainless steel or modular partitions with verified quality and low minimum order quantities, like those from Wuxi Bangyu Energy Technology Co., Ltd., offer durability and corrosion resistance, typically priced higher than entry-level options but still cost-effective for small to medium projects .
- **High-Performance Fireproof Options:** Specialized fireproof partitioned cable trays, designed for premium fire protection, such as those from Foshan Wangupai Electronic Commerce Co., Ltd., start at \$10 per meter and are ideal for critical installations requiring maximum fire resistance .

Material and Type Considerations

- **Steel (galvanized or powder-coated):** Strong, durable, suitable for heavy-duty applications.
- **Aluminum:** Lightweight, corrosion-resistant, ideal for installations where weight is a concern....
