

Cable tray manufacturing plant in Senegal

Article Overview

Senegal hosts several reputable cable tray manufacturers, including Jeetmull Jaichandlall (P) Ltd. and Cable House, offering high-quality, customizable cable management solutions.

Key Manufacturers

Jeetmull Jaichandlall (P) Ltd. operates a modern manufacturing facility in Senegal, equipped with advanced technology to produce cable trays in various sizes, shapes, and colors. Their production emphasizes high-quality finishing, durability, and compliance with industry standards. The company focuses on tailoring cable trays to meet the specific demands of different industrial sectors, ensuring robust performance and long-term reliability. Cable House has been active since 1983 and is recognized for manufacturing a wide range of cable management products, including cable trays, hose clamps, cable ties, and industrial connectors. They provide customized solutions and maintain strict quality control to ensure sustainable performance and high durability. Cable House serves both national and international markets, offering products designed for industrial, construction, and electrical applications.

Product Features and Capabilities

- **Material and Design:** Cable trays are made from sturdy metals or non-metallic materials, providing resistance to impact, wear, and deformation. They are availabl...
