

Cable tray support and clamp manufacturer

Article Overview

Leading manufacturers of cable tray clamp supports include MP Husky, Øglænd System, Eurotray, PohlCon, and UNITECH, offering a wide range of high-quality clamps and support systems for industrial and commercial applications.

Key Manufacturers and Offerings

MP Husky specializes in cable tray clamps engineered for rigid structural support in industrial and commercial installations. Their products include high copper alloy clamps, grounding clamps, heavy-duty hold-down clamps, and expansion guides suitable for fastening trays to C-Channels, beams, and other surfaces. These clamps are designed for easy installation, reducing field labor costs, and come with all necessary hardware for mounting . Øglænd System provides a comprehensive range of cable trays and accessories, including tubing clamps and brackets. Their products are made from stainless steel, galvanized steel, aluminum, and fiberglass composites, suitable for both offshore and onshore projects. The trays feature slot patterns for efficient positioning of clamps and other fixings . Eurotray offers perforated, ladder-type, and solid bottom cable trays along with mechanical support systems. Their accessories include U profiles, brackets, dowels, and beam clamps, which are ideal for securely transporting and supporting cables. Eurotray also provides seismic suspension systems and facade anchorage solutions for specialized applications . PohlCon supplies a wide range of cable tray accessories, including clamps, connecting plates, protective rings, and support troughs. Their products cover mesh trays, cable ladders, wide-span systems, and marine applications, provi...
