

Comoros Fire-Resistant Cable Tray Manufacturer

Article Overview

Comoros can source fireproof cable trays from international manufacturers offering metal, fiberglass, and customized solutions suitable for industrial and commercial applications.

International Manufacturers and Suppliers

- Unicomposite – Specializes in fiberglass reinforced plastic (FRP) cable trays that are corrosion-resistant, lightweight, and fireproof. Their trays are designed for harsh environments, including petroleum, chemical, power, and telecommunications industries. FRP trays offer long lifespans (over 30 years), high impact resistance, and minimal maintenance, making them ideal for tropical climates like Comoros .
- Atkore (US Tray) – Offers UL-certified, made-to-order metal cable trays including wire basket, I-beam, and C-channel systems. These trays are built to NEMA standards and provide fire-resistant properties when paired with appropriate materials and coatings. Atkore emphasizes customization, logistics support, and compliance with international safety standards .
- Emit Metal Elektrik (Turkey) – Produces metal cable trays, ladders, and trunking systems with high durability and fire-resistant options. They have a large production capacity and can supply international orders, making them suitable for projects in Comoros .
- B2B Marketplaces – Platforms like Tradewheel, Europages, and ThomasNet list multiple suppliers of fireproof and industrial cable trays. These platforms allow direct communication with manufacturers for custom specifications, bulk orders, and shipping to Comoros. Products include galvanized, stainless steel, and fiberglass tra...
