

Custom Manufacturer of Moisture-proof Distribution Boxes

Article Overview

Several manufacturers provide custom moisture-proof distribution boxes with IP65–IP68 ratings, offering plastic, metal, and stainless steel enclosures for industrial and outdoor applications.

Leading Custom Manufacturers

1. SinoBreaker SinoBreaker offers IP65–IP68 waterproof distribution boxes suitable for harsh outdoor and industrial environments. They provide plastic and DIN rail configurations, with options for compact AT Series or larger HT Series enclosures. Custom solutions include pre-assembled kits, custom drilling, and bulk orders, ensuring compliance with IEC 60529 standards and UL 94 flammability ratings. These boxes are ideal for solar systems, lighting, pumps, and coastal or high-UV installations . 2. MJ-BOX MJ-BOX specializes in IP66-rated enclosures with innovative designs like sloped roofs to reduce internal temperature and prevent water accumulation. They offer metal, stainless steel, and composite enclosures with modular interiors for CNC machines, conveyor systems, and industrial automation. Their custom solutions include corrosion-proof, chemical-resistant, and high-pressure washdown enclosures, suitable for food processing, chemical plants, and security monitoring systems . 3. Saipwell Saipwell manufactures custom waterproof enclosures in plastic, stainless steel, aluminum, and metal plates, meeting NEMA 3S, 4X, 6P and IP33–IP68 standards. They provide full customization from concept design to production, including metal cabinets, shields, housings, and boxes. Saipwell emphasizes fast production, flexible customization, and compliance with UL, CE, TU...
