

Custom cable tray manufacturers

Article Overview

Custom cable trays are available from specialized manufacturers like Hutaib Electricals, Atkore International, and Schiavetti Tekno, offering tailored solutions for complex and specialized projects.

Leading Manufacturers and Suppliers

Hutaib Electricals specializes in custom cable trays designed for unique project requirements, including complex layouts, high-temperature environments, and compliance with industry-specific regulations. Their solutions provide precision fit, enhanced performance, and flexibility to adapt to evolving project needs, ensuring optimal cable management and safety . Atkore International is a global manufacturer offering a wide range of cable tray systems, including stainless steel, galvanized, and fiberglass options. They provide both standard and custom solutions suitable for construction, renovation, and industrial projects, with extended warranties and international distribution . Schiavetti Tekno, part of the Spina Group, is an Italian manufacturer producing stainless steel, galvanized, and wire cable trays. They offer custom sizes and compatibility with Unistrut systems, ensuring strength, corrosion resistance, and compliance with European (EN) and international (UL) standards . Other notable manufacturers include Snake Tray, Chalfant Manufacturing, Sunil Engineering Corporation, and ELCON CABLE TRAYS PVT. LTD., all of which provide customized solutions for ladder, perforated, wire mesh, and FRP cable trays, along with accessories and junction boxes .
