

Custom-made electrical distribution box manufacturers

Article Overview

Leading manufacturers of custom electrical distribution boxes include E-Abel, J&HW Group, EWJ, SKKBO, and E•Box, offering tailored solutions for diverse applications with rapid delivery and certified quality.

Key Manufacturers and Their Offerings

E-Abel specializes in custom electronic enclosures with options for size, shape, hole placements, waterproofing, interior protective paneling, and mounting configurations. They adhere to NEMA standards and provide quick turnaround times, often within 2 days, for both indoor and outdoor applications. J&HW Group manufactures custom power distribution boxes with in-house production of components like sockets, wires, and casings. Their integrated process reduces costs, inventory waste, and delays, delivering tailored solutions that avoid unnecessary features while ensuring a perfect fit for your project. EWJ focuses on metal enclosures, including aluminum and stainless steel junction boxes, with IP65 outdoor solutions. They support OEM customization from prototype to mass production, accepting technical drawings in PDF, DWG, or STEP formats. EWJ ensures compliance with CE, ISO9001, and RoHS standards, providing high-end solutions for low-voltage electrical systems. SKKBO offers tailor-made distribution boxes for industrial, commercial, residential, and solar energy systems. They provide full customization in dimensions, materials, enclosure thickness, colors, and logo printing. With over 20 years of experience and a 2,666 sqm factory, SKKBO ensures high-quality manufacturing and prompt delivery to more than 180 countries. E•Box has over 35 years of experience producing UL-rated elec...
