

Egyptian Fiber Optic Cable Company

Article Overview

Egypt has a growing fiber optic cable industry with at least 15 prominent companies and numerous smaller suppliers and distributors.

Overview of the Industry

The fiber optic cable sector in Egypt includes manufacturers, distributors, and service providers that support telecommunications, networking, and data infrastructure projects. The market is expanding due to increasing demand for high-speed internet, data centers, and submarine cable projects connecting Egypt to Europe and other regions .

Key Companies

Some of the top fiber optic cable companies in Egypt include:

- Max. Fiber Com – Specializes in designing and implementing networking systems, including fiber optic installations .
- FiberME Communications – Offers unified communication products and multimedia networking solutions .
- Mavencables – Manufactures electric cables and building wires, including fiber optic cables for construction projects .
- Bridge Technologies – Provides comprehensive services for submarine cable systems, including DWDM installation and testing .
- Axxcelera – Focuses on advanced wireless communication technologies relevant to fiber optic applications
