

El Salvadoran Fiber Optic Heat Shrink Tubing Manufacturer

Article Overview

El Salvador has suppliers and distributors of fiber optic heat shrink tubing, with options for both local sourcing and international manufacturers serving the region.

Local Suppliers and Directories

El Salvador hosts several suppliers of heat shrink tubing, which can be filtered for fiber optic applications through export-import directories like Volza. MOUSER ELECTRONICS INC is listed as one of the largest exporters of heat shrink tubing in El Salvador, providing access to shipment data, supplier contacts, and product specifications . Volza allows businesses to identify reliable and economical suppliers based on shipment frequency, export value, and years in operation, which can help in sourcing fiber optic heat shrink tubing locally .

Fiber Optic Specific Products

Fiber optic heat shrink tubing is designed to protect and reinforce optical fiber splices, maintaining mechanical strength and optical transmission performance. These tubes typically consist of cross-linked polyolefin, hot fusion tubing, and reinforcing rods (quartz or ceramic), and are available for single fiber or ribbon fiber configurations . They provide sealing against temperature and humidity, ensuring safe and durable fiber optic connections .
