

Electrical cable tray support accessories

Article Overview

Here are some common electrical cable tray accessories:

- **Fittings and Connectors:** These are used to connect different sections of cable trays and ensure a secure fit .
- **Supports and Hangers:** Essential for providing stability and support to the cable trays, preventing sagging or movement .
- **Covers and Lids:** Used to protect cables from dust and debris while maintaining accessibility .
- **Cable Management Accessories:** Items like cable ties and clamps that help organize and secure cables within the tray .
- **End Caps and Dividers:** Used to close off the ends of trays and separate different types of cables for safety and organization .

These accessories enhance safety, efficiency, and compliance in electrical installations .
