

Electrostatic powder supplier for distribution boxes

Article Overview

Leading suppliers of electrostatic powder distribution boxes include Dezhou Aohai Coating Equipment, Linyi Yangao Electric, and other specialized manufacturers offering modular, high-performance units for industrial coating applications.

Key Suppliers and Products

1. Dezhou Aohai Coating Equipment Co., Ltd.

- Offers modular electrostatic powder coating power distribution cabinets designed for industrial applications such as automotive, furniture, metal processing, and home appliances .
 - Features include adjustable DC output from 0-100kV, multiple independent output channels, and PLC/touchscreen HMI for real-time monitoring of voltage, current, and temperature .
 - Optional IoT modules allow remote monitoring and data analysis.
 - The company provides fast shipping, with most products in stock and delivery within 5-8 days .
 - They also supply related equipment like powder electrostatic spraying machines, automatic control systems, and self-circulation powder supply systems.
- #### 2. Linyi Yangao Electric Co., Ltd.
- Specializes in customized distribution boxes, including electrostatic powder-coated cabinets in durable galvanized steel .
 - The company has 27 years of experience, is a partner of Schneider Electric, and s...
