

Fiberglass cable tray and pipe manufacturer

Article Overview

Leading manufacturers of fiberglass cable trays and pipes include MP Husky, Enduro Composites, Friedrichs, Hallas Fiberglass, and Uniflex, offering corrosion-resistant, lightweight, and high-strength FRP solutions.

Top Manufacturers and Their Offerings

MP Husky has over 30 years of experience producing fiberglass cable trays for offshore oil and gas, refineries, and laboratories. Their trays are lightweight yet stronger than steel, non-conductive, non-magnetic, and corrosion-resistant. They offer polyester and vinylester resin systems, meet ASTM E-84 Class 1 flame rating, and are self-extinguishing, with custom color options available . Enduro Composites is a North American leader providing FRP trays for utilities, transportation, and wastewater facilities. Their products feature high dielectric properties, excellent strength-to-weight ratios, and are ideal for high-voltage and coastal installations . Friedrichs specializes in trays for chemical processing, wastewater treatment, and oil & gas industries, offering various sizes and styles tailored to harsh environments . Hallas Fiberglass manufactures lightweight, robust trays suitable for both residential and large commercial projects, providing off-the-shelf and custom solutions . Uniflex produces FRP cable trays and pipe systems with high corrosion resistance, non-conductive properties, and superior strength-to-weight ratios. Their products are molded or pultruded to meet stringent tolerances and can be customized for specific industrial applications
