

French Single-Core Optical Cable Manufacturer

Article Overview

Key French manufacturers of single-core optical cables include OBS Fiber, JENOPTEC NT, and IDIL Fibres Optiques, all offering custom and high-quality fiber solutions.

Leading Manufacturers

OBS Fiber is a French company specializing in the distribution of fiber optic materials and components, including single fiber components and complete cable assemblies. They provide custom solutions for specialized optical fibers and are recognized for their innovative products and support for new projects . JENOPTEC NT, based in Buc, Yvelines, has been active since 1986 and focuses on fiber-optic and optoelectronic solutions for demanding environments. They design and manufacture bespoke optical cables, including single-core and hybrid cables, and offer full lifecycle services from design to maintenance . IDIL Fibres Optiques is a Breton SME with expertise in fiber optic and laser technologies. They specialize in the design, development, manufacturing, and distribution of optical fibers, including single-core solutions, and are recognized as a leader in France for high-precision fiber applications .

Additional Notable Providers

- Point Fibre Optique offers a wide range of fiber optic cables and components, including single-core cables, with rapid delivery and technical support for FTTH and other installations .
- Centre Fibre Optique focuses on deploying optical fiber networks and provides sp...
