Overview

Upgrade Module is a Material Consumable. It has a maximum quantity of 25. Can be earned as rewards from the Season Pass seasonal rank rewards track. Technology modules does not have a limit, but you can only ever install 1 mod per type of technology. Upgrade modules have different classes and their stats are randomized (based on. Equip a Ghost Shell with a Modularity mod for a greater chance of earning modules when completing Strikes, the Crucible, and Gambit activities. If, you spend time in the game now and start crafting really nice weapons with the perfect perks, or upgrade good armor with good stats so you can use mods in them, and then The Final Shape drops and raise the power level, you don't want to start over. Destiny 2. They're required to upgrade the Light Level of guns and gear, yet they aren't as readily available as some of the game's other materials. Each module costs 1 Enhancement Core and 5,000 Glimmer, making it convenient to accumulate a significant quantity quickly.
