

How much does it cost to customize cable trays in Turkmenistan

Article Overview

Customized cable trays in Turkmenistan typically range from \$10 to \$50 per meter, depending on material, type, size, and coating, with additional costs for labor and special finishes.

Base Price and Material Factors

The cost of cable trays varies significantly based on the material used:

- Galvanized steel is the most common, offering a balance of durability and affordability, usually priced around \$10-\$30 per meter.
- Aluminum trays are lightweight and corrosion-resistant, costing \$20-\$50 per meter.
- Stainless steel is more expensive due to its corrosion resistance and strength.
- Plastic trays are budget-friendly but not suitable for heavy loads or high-temperature environments .

Customization Costs

Customization can include adjustments in:

- Size and dimensions to fit specific installations
- Type of tray (ladder, perforated, wire mesh, or raceways)
- Surface finish or coating (HDG, powder coating, pre-galvanized)
- Special structural requirements for heavy-duty or outdoor use These customizatio...
