

Huijue Fiber Optic Cable Product Introduction

Article Overview

Huijue fiber optic cables are high-quality, customizable solutions designed for indoor and outdoor communication networks, supporting a wide range of single-mode and multi-mode applications.

Product Overview

Huijue offers a diverse range of fiber optic cables tailored for various communication scenarios, including indoor building cabling, data centers, and FTTH (Fiber to the Home) networks. Their indoor cables, such as the GJBFJH and GJBFJV series, feature LSZH (Low Smoke Zero Halogen) jackets, ensuring low smoke emission and zero halogen during combustion, meeting stringent indoor fire safety standards. These cables support G652D/G657A single-mode fibers and OM1/OM2/OM3/OM4 multi-mode fibers, available in Simplex and Duplex configurations with flexible core counts ranging from 2 to 288 cores.

Key Features

- **High-Quality Components:** Huijue emphasizes precision in fiber optic interconnect assemblies, including connectors, adapters, and optical splitters, ensuring reliable signal transmission.
- **Customizable Solutions:** Products can be tailored for specific applications, including FTTH solutions, data center networks, and digital integrated site power systems.
- **Easy Installation:** Many cables feature exclusive easy-peel designs, allowing for ef...
