

Industrial Switch Manufacturer OEM

Article Overview

Top industrial switch OEM manufacturers include Omnitron Systems, Antaira Technologies, Phoenix Contact, Cisco, Juniper, Avaya, and Huawei.

Leading Industrial Switch OEMs

- Omnitron Systems Technology, Inc. – Based in Irvine, California, Omnitron manufactures and distributes fiber optic connectivity products, Ethernet switches, media converters, and network interface devices, providing solutions for both LAN and WAN applications in industrial environments .
- Antaira Technologies, LLC. – Specializes in rugged, high-performance managed, unmanaged, and PoE switches designed for harsh industrial conditions, offering OEM/ODM customization, rapid prototyping, and global distribution .
- Phoenix Contact – Offers industrial Ethernet switches with robust construction for extreme temperatures, vibrations, and dust, supporting redundancy protocols, security features, and network reliability tools .
- Cisco Systems Inc. – A global leader providing industrial-grade switches with advanced network management, security, and integration capabilities for factory automation, transportation, and energy sectors .
- Juniper Networks Inc. – Supplies industrial Ethernet switches with high port density, ruggedization, and software-defined networking features suitable for complex industrial networks .
- Avaya Inc. – Offers industrial networking solutions with managed and unmanaged switches, focusing on reliability and integration with industrial protocols .
- Huawei Technologies Co. Ltd. – Provides industrial Ethernet switches for harsh environments, including outdoor and mission-critical applications, with support for SCADA, PLC, and automation systems
