

Intelligent power distribution cabinet manufacturer in Vietnamese universities

Article Overview

Top manufacturers in Vietnam for intelligent power distribution cabinets include LS Electric Vietnam, VIETPOWER, Hai Nam Automation, Juhonkia, and E-Abel, offering customized solutions for educational institutions and campus infrastructure.

Leading Manufacturers

1. LS Electric Vietnam Founded in 1997, LS Electric Vietnam is a leading switchgear and intelligent power distribution manufacturer. They provide low and high voltage switchboards, MV switchgear, LV switchgear, busducts, and automation solutions suitable for universities, research labs, and campus-wide power systems. Their products comply with international standards and support smart energy management, ensuring reliable, safe, and efficient power distribution . 2. VIETPOWER VIETPOWER specializes in electrical cabinets and cable trays, with over ten years of experience in Vietnam. Their products are certified to IEC 61439-2 and IEC 61641 standards, making them suitable for university campuses requiring high-quality, standardized switchboards. They offer customized solutions, technical support, and full-range low voltage switchboards . 3. Hai Nam Automation Technology JSC Hai Nam provides modular low voltage switchboards, medium voltage switchgear, and total power automation solutions. Their systems are tailor-made to client specifications, including L-shaped or U-shaped cabinets for limited space, making them ideal for university electrical rooms. They also offer data center solutions and lifecycle services, supporting both installation and maintenance . 4. Juhonkia Juhonkia manufactures intelligent power distribution equipment such as LV switchgear asse...
