

Ireland Cable Management Stand

Article Overview

Ireland offers a wide range of cable management stands, racks, and reel holders suitable for both industrial and residential use.

Overview of Cable Management Stands

Cable management stands are designed to organize, support, and protect electrical cables, preventing tangling, kinking, or damage. They are essential in workshops, factories, music studios, and outdoor installations where multiple cable reels are used. Stands can be adjustable, portable, or fixed, depending on the application, and often include features like hanging rods, plug compartments, or stackable designs for efficient storage .

Key Products Available in Ireland

-

Stand-Off Brackets: For example, the KLSOB9 225mm Stand Off Bracket from National Electrical Wholesalers is a medium-duty steel bracket suitable for cable tray, trunking, and conduit installations. It is made from pre-galvanised steel for durability and can be cleaned with specialized cleaners for optimal adhesion .

-

Cable Reel Holders: Farnell Ireland stocks a wide selection of cable reel holders from top brands like Essentra Components, PRO Power, and Hellermannntyton. These holders allow easy unwinding of cables, protect against twisting, and are ideal for industrial or professional use
