

Ireland Integrated Container Rack Waterproof Type

Article Overview

Integrated container racks in Ireland can be sourced with waterproof and corrosion-resistant features through specialized suppliers like Euromech, ECLIPS, and Farnell® Ireland.

Integrated Container Racks in Ireland

Euromech offers a wide range of integrated racking components suitable for warehouses and containerized storage. Their systems use certified steels, high-quality epoxy powder coatings, and modular components, allowing customization for specific load sizes and weights. While primarily designed for indoor warehouse use, these racks can be adapted for containerized applications with additional protective coatings or enclosures. ECLIPS provides advanced logistics platforms such as CROWS™ and PILS™, which are interconnectable steel cargo platforms compatible with ISO containers. The CROWS™ system can be stacked for transport or warehousing and includes the C4 Corrosion Control Cover, a reusable, UV-stabilized, water-resistant cover that protects metals, plastics, rubber, and electronics during storage and transport. This makes it ideal for outdoor or containerized environments requiring waterproofing.

Waterproof Enclosures

For smaller-scale or electronic storage needs, Farnell® Ireland stocks a variety of outdoor and waterproof plastic enclosures. These include multipurpose, wall-mount,...
