

Is Huijue Communication an optical module manufacturer

Article Overview

Huijue is a leading Chinese manufacturer of optical communication modules and network equipment, specializing in FTTX products, optical fiber components, and data center solutions.

Company Overview

Huijue Group, officially known as Shanghai Huijue Network Communication Equipment Co., Ltd., was established in 2002 and is headquartered in Shanghai, China, with production bases in Jiangsu and Guangdong covering over 200,000 square meters . The company employs between 1,000 and 2,000 professionals and focuses on intelligent network communication equipment and advanced energy storage systems . Huijue serves a global clientele, exporting products to Europe, North America, Southeast Asia, the Middle East, and Australia .

Product Portfolio

Huijue specializes in a wide range of telecom and optical communication products, including:

- FTTX products for fiber-to-the-home and fiber-to-the-building networks .
- Optical fiber components and optical modules for high-speed data transmission .
- Outdoor telecom cabinets and data center cabinets with integrated solutions .
- Customized OEM/ODM solutions for telecom operators and data centers . The com...
