

Israeli Level 3 Distribution Box Manufacturer

Article Overview

Key Israeli suppliers for Level 3 distribution boxes include Mouser Israel, Warom Technology, and Telsys Ltd., offering industrial-grade, modular, and explosion-proof enclosures.

Mouser Israel

Mouser Electronics Israel provides a wide range of distribution box enclosures and racks, suitable for industrial and commercial electrical installations. Their inventory includes various sizes and materials, with datasheets and pricing available online, making it a convenient source for Level 3 distribution boxes and related components (Mouser Israel) .

Warom Technology

Warom Technology specializes in explosion-proof illumination and distribution boxes, designed for hazardous environments, industrial lighting automation, and defense applications. Their enclosures feature flameproof (Ex d) and increased safety (Ex e) chambers, anti-static coatings, and color-coded operating panels for safe and efficient operation. These boxes are suitable for high-level industrial distribution needs, including Level 3 applications (Warom Technology) .
