

Kuwait Tray Cable Tray Quotation

Article Overview

For cable tray quotations in Kuwait, you can contact local manufacturers and suppliers such as Al Nafe Group, Bahman Group, and Almeer Industries, who provide a wide range of cable tray systems and accessories.

Key Suppliers and Products

Al Nafe Group offers FRP/GRP cable trays and ladders, including ladder and perforated types. Their products are corrosion-resistant, fire-retardant, UV-resistant, and electrically insulated, suitable for industrial and commercial projects. They also supply a variety of fittings and accessories such as coupler plates, expansion plates, hold-down clips, trefoil clamps, and divider strips, available in GRP, FRP, and metal materials. Bahman Group operates a large manufacturing facility in Shuwaikh Industrial Area, producing GI cable trays, cable ladders, and trunking for local projects and infrastructure. Their products are approved for use in government and institutional projects, including hospitals and universities, and they provide both standard and custom solutions. Almeer Industries specializes in cable tray systems for power distribution and communication, offering high-quality ladder, perforated, and wire mesh trays suitable for commercial and industrial construction. They focus on flexible installation and future expansion needs.
