

Lightweight cable tray materials in Qatar

Article Overview

Lightweight cable trays in Qatar are widely available from local manufacturers and suppliers, offering durable, standards-compliant solutions for industrial, commercial, and residential installations.

Local Suppliers and Manufacturers

- Altura Industries provides a variety of cable trays including GRP/FRP and wire mesh trays designed for easy cable pulling and resistance to harsh environments, suitable for petrochemical, marine, and oil & gas industries . They offer competitive pricing and a range of accessories for efficient installation.
- Advance Line Cable Management System L.L.C manufactures cable trays, ladders, and basket trays fully compliant with British standards. Their products are ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certified, ensuring high quality and safety . They also provide strut channels and support systems for flexible installation.
- TransDelta International Industries L.L.C produces cable trays, ladders, and trunking systems certified to global standards, with strategic locations in Qatar for timely supply . Their systems are suitable for large-scale industrial and commercial projects.
- MEP BOSS offers installation services for cable trays and trunking, including lightweight and open support systems, ensuring proper safety and compliance with electrical installation standards .

Types of Lightweight Cable Trays

- Wire Mesh/Basket Trays: Lightweight, allow continuous airflow, prevent dust accumulation, and are ideal for data and low-voltage cabling
- Perforated Steel Trays: Provide ventilation for heat dissipation while supporting m...
