

Malaysia Air-blown Optical Cable Manufacturer

Article Overview

Leading air-blown optical cable manufacturers in Malaysia include Norden Communication, Opcom Holdings, Tenaga Cable Industries, Hengtong Malaysia, Leader Cable, and Universal Cable.

Key Manufacturers and Suppliers

1. Norden Communication Norden is a prominent manufacturer and supplier of air-blown fiber optic cables (HDPE) in Malaysia, offering high-quality products suitable for various telecom and broadband applications . 2. Opcom Holdings Opcom operates Malaysia's most established fiber manufacturing facility and specializes in air-blown fiber systems. Their solutions include cables, sub-ducts, and installation equipment, enabling up to 40% faster installation compared to traditional cable pulling methods . 3. Tenaga Cable Industries (TCI) TCI, part of Malaysia's national utility company, produces dual-purpose OPGW cables that integrate electrical power and fiber optic communications. Their high-voltage testing facilities ensure cable performance under extreme conditions . 4. Hengtong Malaysia Located in Kedah's Hi-Tech Park, Hengtong manufactures everything from optical preforms to finished submarine and air-blown cables. Their automated production lines provide consistent quality at competitive pricing, supporting large-scale projects . 5. Leader Cable Industry With over four decades of experience, Leader Cable offers extensive certifications and quality control procedures. Their Penang facility provides strategic advantages for northern Malaysia and cross-border projects . 6. Universal Cable Universal Cable's Sarawak facility serves East Malaysia efficiently, producing cables that withstand hi...
