

Malaysian electrical distribution box manufacturer

Article Overview

Leading manufacturers of electrical distribution boxes in Malaysia include Powerwell Group, IEP Sdn Bhd, and Legrand Malaysia, offering a wide range of industrial and commercial solutions.

Key Manufacturers

Powerwell Group Powerwell specializes in the design, manufacturing, and trading of electrical distribution products, including low and medium voltage switchgear and distribution boards. With over 25 years of experience, they provide high-quality, customized solutions for both local and international projects, making them a prominent switchboard manufacturer in Malaysia (Powerwell Group) . IEP Sdn Bhd IEP offers a comprehensive range of distribution boxes and electric enclosures for industrial and hazardous environments. Their products include modular BM enclosures, CD series distribution boxes, and specialized solutions for tunnels and liquefied gas transfer. IEP emphasizes safety, compliance with industry standards, and customization to meet specific project requirements (IEP Malaysia) . Legrand Malaysia Legrand provides a broad portfolio of electrical products, including MCB boxes, conduits, fittings, and trunking. They focus on scalable, efficient, and integrated solutions suitable for residential, commercial, and industrial applications. Legrand is known for its extensive product range and connected solutions for modern electrical systems (Legrand Malaysia) .
