

# Mauritius Low-Voltage Distribution Box Configuration Manufacturer

## Article Overview

Mauritius has several suppliers and manufacturers of low-voltage distribution boxes, including Lumitech Ltee, Legrand Mauritius, Electrical.mu, CMH, and Ecodis, offering both design and turnkey solutions.

### Key Manufacturers and Suppliers

Lumitech Ltee is a leading electrical contractor in Mauritius, specializing in the design, manufacturing, and installation of electrical and control cabinets for industrial, commercial, and power plant projects. They provide turnkey solutions, including engineering, fabrication, installation, and commissioning of low-voltage distribution systems, making them suitable for large-scale projects. Electrical.mu offers a wide range of distribution boxes and enclosures for residential, commercial, and industrial applications. Their products include Practibox S surface mounting cabinets, Easy9 modular enclosures, and Hager flush or surface-mounted enclosures, compatible with DIN rail mounting and designed for safety and durability. Legrand Mauritius provides a variety of cabinet and enclosure solutions, including Practibox S, Drivia, XL<sup>3</sup>, XL<sup>3</sup> S, and Plexo<sup>3</sup>. These cabinets are designed for easy wiring and operation, suitable for residential and small commercial installations, with options ranging from 4 to 72 modules. CMH supplies high-quality electrical solutions, including distribution boards, switchgear, and accessories. They collaborate with global brands to ensure reliable products for construction projects, home automation, and industrial electrical systems. Ecodis offers comprehensive electrical solutions, including switches, sockets, cables, switchgear, concealed boxes, and weatherproof...
