

Mauritius manufactures electrical distribution box enclosures

Article Overview

Mauritius has a range of manufacturers and suppliers offering electrical distribution box enclosures for residential, commercial, and industrial applications.

Local Manufacturers and Suppliers

Electrical.mu offers a variety of high-quality distribution boxes and enclosures suitable for circuit breakers, including surface-mounted and modular cabinets like the Practibox S and Easy9, designed for indoor installations with multiple module configurations and safety features . Sheet Metal Factory provides custom electrical enclosure manufacturing with over 22 years of experience. They offer design, fabrication, and one-stop customization services for electrical cabinets and boxes, catering to both standard and specialized requirements . Legrand Mauritius supplies a wide range of cabinets and enclosures, including Practibox S, Drivia, XL³, and Plexo³, suitable for residential, commercial, and industrial installations. Their products are designed for easy wiring, durability, and aesthetic integration into various environments . Lumitech Ltee specializes in industrial and power plant electrical solutions, including the design, assembly, and installation of electrical enclosures as part of turnkey electrical and control packages. They serve both local and international EPC contractors and provide services from concept to commissioning . Numelec also offers electrical materials and enclosures, focusing on durable solutions for cable management and electrical installations across home and industrial settings
