

Mexican Cable Management Rack Factory

Overview

Our 155,000-square-foot, fully certified facility in Nogales offers the most advanced equipment available to market-leading Fortune 500 and multibillion-dollar international companies with a full range of cable harness, wire assembly, and electromechanical needs. LS Cable & System announced on the 23rd that it will build a new factory in Mexico for bus ducts, a large-capacity power distribution system. It will have a total floor area of 16,800 m² on a site of approximately 126,000 m² in an industrial complex in the central Mexican state of Querétaro. In Addition to our main facility in Westchester, New York, our Mexican metal and wire production factory offers enormous cost savings and fast turnaround on all your metal and wire needs.
