

Moroccan company selling fiber optic cables

Article Overview

FBR Cables, FiberCorp, and InesKonect are leading Moroccan companies providing fiber optic cables and related solutions.

Key Moroccan Fiber Optic Cable Companies

FBR Cables FBR Cables is a Moroccan manufacturer specializing in high-performance fiber optic cables for long-distance, indoor, outdoor, and aerial networks. They also produce copper LAN cables (Cat6 to Cat8) and provide local technical support, certified quality management, and environmentally responsible production. Their Bouskoura facility ensures reliable deliveries and project support from specification to commissioning . **FiberCorp** FiberCorp offers engineering solutions for optical fiber installations and accessories. They are the distributor and reseller in Morocco and West Africa for OFS Optics, a global leader in fiber optic cables. FiberCorp supplies installation kits, fusion splicers, and provides training for technicians to optimize network deployment. They operate in Tangier and support both commercial and industrial fiber optic projects . **InesKonect** InesKonect focuses on FTTH solutions, providing high-quality fiber optic cables, connectors, and accessories. Their products are designed for seamless internet connectivity and efficient network deployment, supporting operators, installers, and engineering offices . **Additional Suppliers** Sourcia lists multiple fiber optic cable suppliers across Morocco, including major industrial hubs like Casablanca, Tangier, Rabat, Fes, Agadir, and Marrakech. They offer single-mode and multi-mode cables, indoor and outdoor sheaths, armored or non-armored options, and reels ranging from 100 to 2000 meters. Sourcia allows direct contact w...
