

# Morocco Network Cable Tray Installation Team

## Article Overview

Several professional teams and companies in Morocco specialize in network cable tray installation, structured cabling, and telecom infrastructure.

### Leading Providers

1. ITech Valley ITech Valley offers comprehensive network installation services across Morocco, including structured cabling, fiber optic networks, and hardware setup. Their team handles cable tray installation, network design, and ongoing maintenance, ensuring reliable and scalable network infrastructure for businesses of all sizes in cities like Casablanca, Rabat, Marrakesh, and Tangier (Web results ). 2. Inter Cable Maroc Inter Cable Maroc specializes in electrical and IT precabling solutions, including cable trays, racks, and data center setups. They provide pre-fabricated cabling solutions, UPS systems, and structured network installations for offices, industrial sites, and residential projects. Their teams are experienced in both copper and fiber optic cabling (Web result ). 3. Kerix Directory Listings The Kerix professional directory lists multiple companies offering cable tray installation and related services in Morocco. Notable entries include:

- ENERCA (Tanger) – Manufacturing of cable trays and conduits
- Comptoir Electrique Casablanca (CEC) – Supply of cable trays, electrical enclosures, and industrial electrical equipment
- IM Networks Casablanca – Products and installation services for computer and telecom networks, including cable trays (Web result ). 4. Other Notable Companies...
