

Mozambique Explosion-proof Distribution Box Company

Article Overview

Several suppliers in Mozambique provide explosion-proof distribution boxes suitable for hazardous industrial environments.

Key Manufacturers and Suppliers

- Warom Group Warom specializes in explosion-proof electrical equipment, including distribution boxes, lighting fixtures, control equipment, motor switches, and cable connectors. Their products are designed for hazardous locations such as petroleum, chemical, marine engineering, and mining industries. They comply with international standards like IEC, ATEX, and IECEx, ensuring safety and reliability in explosive atmospheres .
- Hexlonex BM (D)X52-S Series This series features glass fiber reinforced polyester resin (GRP) enclosures, stainless steel fasteners, and optional padlocks for MCB operating handles. The boxes are designed for easy installation and maintenance, with sealed cable entries and customizable specifications for industrial applications .
- Crescent Electric Crescent Electric offers a range of explosion-proof distribution boxes, including lighting distribution boxes, power distribution boxes, and anti-corrosion models. These boxes are suitable for environments requiring high safety standards and are designed to prevent ignition in hazardous areas .

How to Find Suppliers in Mozambique

- Europages B2B Marketplace lists 28-29 suppliers of vertical explosion-proof distribution boxes in Mozambique. This platform allows direct contact with manufac...
