

New Zealand fiber optic junction box manufacturer

Article Overview

Key manufacturers and suppliers of fiber optic junction boxes in New Zealand include Cable-Ways, OplinX, Hexatronic, and MultiMedia Communications Ltd, offering both standard and customized solutions for telecom and data networks.

Leading Manufacturers and Suppliers

Cable-Ways NZ provides a range of fiber optic cabinets and junction boxes, including double-door cabinets designed for high-capacity broadband solutions. Their products support 288-576 terminations and accommodate both fiber and copper terminations, as well as media conversion equipment like VDSL2. These cabinets are engineered for durability and secure housing, suitable for schools, rural areas, and large-scale telecom setups . OplinX New Zealand Limited specializes in high-quality fiber optic cabling products and pre-terminated cable assemblies. While primarily focused on cables, fusion splicers, and test equipment, OplinX partners with top electrical wholesale suppliers and can provide customized fiber optic solutions for network infrastructure projects . Hexatronic Fiber Solutions offers end-to-end fiber optic solutions, including junction boxes, enclosures, and cable assemblies. They provide both standard and highly customized products for telecom, industrial, and enterprise networks. Hexatronic supports rapid deployment of fiber networks across New Zealand and the Pacific Islands, with technical support and R&D services to ensure quality and sustainability . MultiMedia Communications Ltd is a New Zealand-based manufacturer and service provider specializing in fiber optic and data network projects. They offer installation, maintenance, and delivery of fiber optic connectivit...
