

Nigerian Flame-Retardant Optical Cable Manufacturer

Article Overview

Coleman Wires and Cables is Nigeria's leading manufacturer of high-quality flame-retardant and fiber optic cables, fully compliant with international safety standards.

Key Manufacturer: Coleman Wires and Cables

Coleman Wires and Cables is Sub-Saharan Africa's largest cable manufacturer and the first in West Africa to commission a fiber optic cable plant . Their facilities in Arepo, Ogun State, produce a wide range of electrical and communication cables, including flame-retardant and fire-resistant optical cables. Coleman's products are engineered for safety, durability, and compliance with global standards, making them suitable for residential, commercial, and industrial applications . They are recognized for delivering high-quality optical solutions for infrastructure and telecom projects across Nigeria.

Other Notable Suppliers

- TradeFord Nigeria Directory lists multiple fire-resistant cable suppliers and exporters, including companies offering LSZH and flame-retardant optical cables . This platform connects buyers with verified Nigerian manufacturers for both domestic and international projects.
- Fiber Optic Cable Manufacturers in Nigeria include Broadbased Communications Limited, FiberOne, Lulifiber Telecom, and dB-Zero, which provide fiber optic network solutions and may offer fire-retardant options for critical installations
