

Optical cable South Africa branch

Article Overview

South Africa has several leading optical cable manufacturers and distributors, including YOA Cable, Cable Mack, Dartcom, Robustec, and CBi Telecom, offering local branches, products, and installation services.

Key Optical Cable Providers

YOA Cable is Africa's largest optical fibre cable manufacturer, offering advanced products with Fast Fusion Technology for easier installation and reduced damage. They focus on innovation and local talent development, providing solutions for high-speed and flexible applications across the African market (YOA Cables) . Cable Mack is one of South Africa's largest independent cable distributors, with major distribution centres in Johannesburg and Cape Town. They stock over R500 million worth of power, mining, solar, welding, and fibre optic cables, and provide nationwide delivery, in-house cutting, and technical guidance for project-specific requirements (Cable Mack) . Dartcom specializes in telecommunications infrastructure solutions, including fibre optic cables. They operate factories and warehouses in South Africa and Tanzania, offering end-to-end solutions, distribution, and installation services for ICT and energy sectors (Dartcom) . Robustec Trading manufactures and supplies high-quality fiber optic cable assemblies and accessories from their Benoni facility. They provide single-mode and multimode cables, ruggedized outdoor patch cords, custom assemblies, and repair services, serving commercial, industrial, and parastatal clients (Robustec) . CBi Telecom is a major South African manufacturer and supplier of fiber optic and copper cables, with the largest copper and fiber optic cable plant in Africa. They provide custom solutions, OEM services, and support for structured cabling and telecom applications (Gcabling)
