

Parameters of 4-core outdoor drop fiber optic cable

Overview

Fiber optic 4-core round drop cable consists of four parts, PE plastic cover, multi-strand aramid yarn, PBT loose tube with jelly compound and optical fiber. These parts work together to make communications faster, safer, more reliable, and more useful. CTS Fiber solution offers small, lightweight and bend insensitive optical drop cables that are suitable for FTTx applications. The cables can be used with fast connectors for quick connection or standard pigtails using fusion/mechanical splicing. Jera is a direct manufacturer who supply a wide range product for. TEXA Network's 4-Core Outdoor Drop Fiber cable is designed and manufactured to the highest standards. The metal or non-metallic structure can be used.
