

Procurement of bridge scaffolding materials in Vietnam

Article Overview

Vietnam offers a robust network of scaffolding suppliers and tender opportunities for bridge construction, with both private manufacturers and government procurement channels available.

Key Suppliers and Manufacturers

Vietnam hosts a variety of scaffolding material suppliers suitable for bridge projects. Notable sources include:

- Volza Supplier Database: Lists 124 verified scaffolding materials suppliers in Vietnam, providing detailed shipment records, product types (e.g., steel reinforcement frames, standing bars, sliding scaffolding components), and direct contact information for decision-makers, enabling risk-mitigated procurement decisions .
- Huynh Kim: A leading scaffolding constructor supplying high-quality steel scaffolding products compliant with JIS G3444 STK 400 and STK 500 standards, with experience in industrial and infrastructure projects .
- Sunrise Construction Scaffolding: Offers versatile scaffolding solutions for domestic and international markets, including Japan, the US, and the Middle East, with over 10 years of experience . These suppliers provide steel scaffolding components suitable for bridge construction, including operating floors, reinforcement frames, and standing bars....
