

Singapore Explosion-proof Distribution Box Salesperson

Article Overview

You can source explosion-proof distribution boxes in Singapore from AEHUB International, Supermec, Lumenex Asia, and The Enclosure People, all offering certified ATEX and IECEx products.

Key Suppliers

AEHUB International Pte Ltd AEHUB is a one-stop electrical material supplier in Singapore, offering a wide range of explosion-proof, industrial, and weatherproof enclosures. Their products include junction boxes and distribution boxes suitable for Zone 1 and Zone 2 hazardous areas, available in plastic (GRP/FRP), aluminium, and stainless steel (SS304/SS316). AEHUB provides certified products and can assist with sourcing and technical inquiries for industrial applications (AEHUB International Pte Ltd) . Supermec Private Limited Supermec specializes in ATEX and IECEx-compliant explosion-proof electrical equipment, including distribution boards, enclosures, control stations, and lighting fixtures. They offer customized engineering, procurement, construction, and maintenance (EPCM) services for industries such as oil & gas, petrochemical, and pharmaceutical. Supermec emphasizes safety, quality, and rapid local support with ex-stock availability in Singapore (Supermec) . Lumenex Asia Lumenex Asia is a trusted supplier of explosion-proof solutions in Singapore, providing a full range of ATEX and IECEx-certified enclosures, lighting, and cable glands for hazardous zones 1, 2, 21, and 22. They focus on workplace safety, quick turnaround times, and expert advice for industrial operations. Their products are designed to contain internal explosions and meet stringent quality standards (Lume...
