

Somali Bridge Construction

Overview

MOGADISHU, Somalia - A key bridge connecting critical supply routes in Somalia was rebuilt after it was destroyed by Al-Shabaab militants, causing stagnation in the movement of goods and services in the Horn of Africa nation, which has been fighting instability. In a significant milestone for community development, Burhakaba city commissioner Ibrahim Mohamed Lysaamow, along with district leaders, inaugurated newly constructed bridges in Somalia's Southwest State on Friday. The bridges, hailed as symbols of unity, resilience, and hope, represent a major. EastBridge Construction Limited is a Somali-owned construction company established in 2017 by experienced engineers committed to rebuilding Somalia's infrastructure. These roads will serve areas where IDPs are living, the main Garowe hospital, and other social facilities. The bridge was destroyed in June by.
