

Source manufacturer of Nordic small electrical distribution boxes

Article Overview

Key Nordic manufacturers of small electrical distribution boxes include HOLTE via Ahlsell, Wieland, Könnér & Söhnen, ABB, and Weidmüller.

Overview of Manufacturers

1. HOLTE (via Ahlsell) HOLTE develops construction and portable distribution boxes specifically for Nordic conditions, emphasizing durability, ergonomics, and electrical safety. Their products feature impact-resistant plastic housings, IP44 protection, and compatibility with European components such as Eaton, PCE, and Weidmüller. They offer portable cases, wall-mounted units, and sub-centrals suitable for construction sites, container installations, and temporary power distribution .

2. Wieland Wieland provides decentralized and pluggable distribution boxes for power, signal, and I&C applications. Their solutions are designed for harsh environments, moisture resistance, and flexible installation. Wieland boxes comply with IEC 61439 and IEC 61535 standards, supporting modular and smart building applications .

3. Könnér & Söhnen This Danish manufacturer offers distribution boards for indoor and outdoor use, supporting up to 7 device groups with a maximum current of 32A. Their boards include integrated sockets, grounding bars, and circuit breakers, designed for construction, residential, and small office applications. They focus on impact resistance, water protection, and portability
