

Swiss cabinet manufacturer

Article Overview

Switzerland has a range of high-quality cabinet manufacturers specializing in custom-made, sustainable, and precision-crafted cabinetry for kitchens, bathrooms, and built-in furniture.

Leading Swiss Cabinet Manufacturers

1. CABINET Schranksysteme Although headquartered in Germany, CABINET has a strong presence in Switzerland through local partners. They specialize in custom-made built-in cabinets, sliding doors, and fitted wardrobes, offering extensive customization in materials, colors, and interior layouts. CABINET emphasizes sustainability, using responsibly sourced wood and maintaining climate-neutral production standards. Their products are certified with the DGM origin label "Furniture Made in Germany" and meet high health and quality standards, making them a premium choice for Swiss clients . 2. USM Modular Furniture USM is a Swiss manufacturer known for modular, timeless, and durable furniture. While primarily recognized for office and commercial solutions, their modular systems can be adapted for residential cabinetry. USM emphasizes sustainability and longevity, with products designed to last for generations, reflecting iconic Swiss design principles . 3. AB Interior AB Interior specializes in custom kitchen fittings and furniture, providing personalized design services and high-quality craftsmanship. They collaborate closely with clients to create tailored kitchen solutions, ensuring both aesthetic appeal and functional efficiency . 4. Luginbühl AG This company focuses on custom woodworking and kitchen design, offering complete services from planning to installation. They combine traditional craftsmanship with modern functionality, producing unique kitchen cabinets and interior solutions . 5. Bodenmann Bodenmann provides custo...
