

Swiss fiberglass cable trays and brackets are in stock

Article Overview

Fiberglass (GRP/FRP) cable trays and brackets are available in stock from multiple Swiss suppliers, including Distrelec, Øglænd System, Niedax, and InduPart AG.

Suppliers and Stock Information

Distrelec Switzerland offers a wide range of cable trays, ducts, and trunking with next-day delivery and expert advice, covering over 180,000 products in stock, including fiberglass options suitable for industrial and infrastructure projects. Øglænd System provides fiberglass (FRP/GRP) cable trays and ladders for both onshore and offshore applications. Their trays come in various heights and widths, with slot patterns for easy cable tie placement and mounting. A full range of brackets, fittings, and accessories is available to ensure stable and compact installation. Niedax specializes in glass fiber GRP cable support systems, particularly for challenging terrains and infrastructure facilities. Their Stand System SP is designed for robust cable routing in difficult environments. InduPart AG is a Swiss trading and service company offering cable management solutions, including fiberglass cable trays and custom brackets. They provide consulting, assembly, and custom production, with the ability to create cuttings, hole patterns, and assembly units tailored to your project.

Key Features of Fiberglass Cable Trays

- Material: GRP/FRP composites provide corrosion resistance, lightweight handling, and suitability for harsh environments....
