

Ugandan Home Electrical Distribution Box Models

Article Overview

Popular home electrical distribution boxes in Uganda include models from Legrand, Tronic Uganda, HW Hardware World, and various indoor distribution boxes available on Amin.ug.

Key Models and Brands

1. Legrand Uganda Residential Boxes Legrand offers a range of residential and small commercial panels, including modular and fixed distribution boxes suitable for home use. These boxes are designed for indoor installation, with options for different numbers of ways and protective features such as circuit breakers and fuses . 2. Tronic Uganda Distribution Boards Tronic Uganda provides 4-way distribution boards and other multi-way panels. These are typically made of aluminium, come in grey color, and include features like three-pole protection. They are suitable for dividing electrical power into subsidiary circuits while providing safety through fuses or circuit breakers . 3. HW Hardware World Distribution Boxes HW Hardware World stocks a variety of DB boxes for residential and commercial use. While specific model names are not always listed, their inventory includes standard indoor distribution boxes, cooker control units, and earthing accessories, catering to different household electrical setups . 4. Amin.ug Indoor Distribution Boxes Amin.ug offers a marketplace for new and used indoor distribution boxes, including models from local suppliers and importers. These boxes vary in size, number of ways, and price, providing affordable options for Ugandan homeowners
