

Unplugging the router s fiber optic cable can be used

Overview

Yes, you can unplug your fiber optic cable, but it's crucial to do so with extreme care to avoid damage, contamination, and service interruption. Can the full fibre openreach box and router be unplugged for any period of time?

What's this?

09 Sep 2024 02:15 PM Can the full fibre openreach box and router be unplugged for any period of time?

What's this?

09 Sep 2024 02:41 PM Re: Can the. This fiber optic cable is going to need to be unplugged and moved. Is this something that requires a Verizon support tech or can I do it?

If so is it as simple as disconnecting and reconnecting or would I have to call support to "reinitiate" my setup. Here is a. This guide outlines proper methods to safely remove fiber optic cable from modems in your home or office. Having. Is it safe to unplug the main power from the router and the box with all the green LEDS and after I clean up and organize the wiring just plug them back in?

Or is there a specific power down and power up sequence I should follow?

It really doesn't matter. But if you want things to come back as fast.
