

Waterproof electrical distribution boxes are sold directly by Huijue

Article Overview

Huijue offers IP65-rated waterproof electrical distribution boxes directly, suitable for industrial, commercial, and outdoor applications.

Huijue manufactures a range of waterproof electrical enclosures, including the HJ-P55 Floor Stand Waterproof Metal Electrical Box, designed for both indoor and outdoor environments. These boxes are made from durable cold-rolled steel with reinforced structures, providing high mechanical strength, impact resistance, and long service life. They feature IP65 dust and water protection, making them suitable for harsh conditions, and are compatible with various electrical components for industrial automation, energy storage, telecommunications, and control systems (Web result).

Key Features

- Material & Finish: Cold-rolled steel with reinforced profiles; RAL-7032 industrial gray coating or customizable colors for corrosion resistance and aesthetics.
- Design: Modular floor-standing or wall-mounted configurations; customizable size, cutouts, and internal layout.
- Certifications: CE and RoHS certified, ensuring compliance with international safety standards.
- Applications: Power distribution, monitoring systems, energy storage enclosures, solar inverter housings, communication base stations, and data centers.
- Customization: OEM/ODM support for tailored designs and fast delivery (Web result)....
